Dear Primary Author,

We are pleased to inform you that your paper has been selected as a finalist for the EURAM 2026 Most Inspirational Paper Award. Congratulations on this outstanding achievement!

As part of the award process, the winner will be announced during the EURAM 2026 Award ceremony:

Friday, June 19
Starts at 11:45 AM CEST
University of Agder

The acceptance notification mailed on March 5 informed you that a new initiative is being launched this year, the **European Management Review (EMR) Professional Development Workshop (PDW)**:

The PDW provides one-to-one colloquia between EMR editors and authors of papers selected by SIGs for 'best paper' or 'most inspirational paper' awards. Each editor will engage with up to four papers in an intimate roundtable setting, offering valuable developmental feedback to help authors improve their research before journal submission. Authors who incorporate the feedback and subsequently submit to EMR are assured entry into the formal review process with no risk of desk rejection. This presents an excellent opportunity to gain direct guidance from leading journal editors and elevate the quality of your scholarship.

The **EMR PDW** will take place on **Thursday, June 18, from 12:30 to 2:00 pm CEST**.

Can you reply to the survey below **by Friday, May 22**, to **confirm or not your presence** at the EMR PDW?

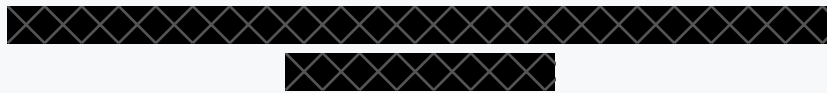

In the meantime, **please keep the content of this message confidential.**

If you have any questions or need more information, you can contact us at nicola.pellegrino@euram.academy.
